1. Team roster, waiver, and entry fee payable to the SAN FRANCISCO ASSOCIATES are due by **December 4, 2009**. *An early response is suggested as more invitations than spots available in each division have been mailed.* Rosters submitted without an entry fee will be considered invalid.
2. Team rosters are restricted to players who have participated on that team during league play and should be limited to ten players. The enclosed roster form must be completed in detail, and teams will be selected by the Jamboree Committee based on the **original roster** submitted. Any roster changes will only be considered for extreme hardship cases and must be approved by the Jamboree Committee. Requests must be in writing and must include the reason for the request. Please note the restrictions on grade level and age as outlined above.
3. All teams will be guaranteed to play two games. Lunch will be provided at the gym site for team members and their families.
4. Each player must have a uniform with numbers on the front and back.
5. Each team is responsible for its own insurance coverage and will be required to sign a waiver.
6. Games will be played under NYBA League Rules. Decisions of the Jamboree Committee are final. Backcourt press will not be allowed in the D Silver or E Division.
7. Game schedules and gym locations will be mailed upon acceptance to the jamboree.
