The Associates philosophy is to provide a healthy, nurturing organized sports environment for Nikkei and Asian youth, which enables participation in high quality, competitive athletics in a team sport atmosphere. The Associates strive to develop in our youth the basic values of:

- Sportsmanship
- Respect for individuals--teammates and competitors alike
- Discipline under the team concept
- Pride in one's self, team, organization, and community
- A sense of healthy competition
- Community service

We hope to see our youth grow not only as athletes, but also as individuals, who love the game, appreciate the opportunity to play, and uphold the Associates values and proud tradition.

Code of Ethics

It is the duty of all concerned with the Associates to emphasize the proper ideals of sportsmanship, ethical conduct and fair play. Athletes, coaches, managers and parents are expected to respect the integrity and judgment of officials, to show courtesy to visiting teams, and to recognize that the purpose of the game is to promote the physical, mental, moral, social, and emotional well-being of the athletes.

The Associates members (including participants, their parents, coaches and managers) represent the Associates and are the Associates ambassadors at each event. As such, they are to adhere to the following rules and responsibilities.

Rules of Conduct

- 1) Members are to conduct themselves in a sportsmanlike manner, emphasizing the proper ideals of sportsmanship, ethical conduct, and fair play, both on and off the field of the event while they are representing the Associates. Members are to refrain from the use of profanity or "trash" talking while at an Associates function.
- 2) Members will show courtesy to the officials, coaches and managers and will not direct abusive or profane language to them or undermine their authority. Members are expected to respect and listen to their coaches, managers and parents supporting the Associates at all times.
- 3) Each player is expected to attend all practice sessions and games. If unable to attend, they are to contact their respective coach(es) ahead of time (24 hours). If this is not complied with, it is the discretion of the coach and/or manager to enforce predetermined penalties. Unjustified absences or missed practices may result in the player's inability to play in games. This could ultimately result in a forfeiture of a game that will affect the other players.
- 4) As a team, members are to monitor each other and are expected to keep in line fellow team members who are not representing the Associates in the proper manner.
